Staff

The current staff complement comprises of 100% black employees. Each site is under the supervision of a senior qualified employee and assisted by team leaders. We generally employ a labour force from within the community closest to the operation so as to minimize traveling expenses for our employees as well as maintaining the family unit.

This also has a positive economic effect on the community as close family members are all employed. The company is also notified of any problems being experienced by an employee who can be supported immediately if the need arises. As a small to medium company we have developed meaningful and long term relationships with our employees and the communication channels are very strong.

Business objectives

NJC's objectives are to expand and to open operations branches in all provinces of the Southern Region

BUSINESS STRATEGY

NJC has a strategic growth plan in place that will guide us through all provinces in terms of launching a branch in each province

BUSINESS MODEL

NJC has located itself in the North of Gauteng in Rivonia because this will allow us to reach all areas of Johannesburg, Pretoria and Rustenburg and the surroundings.

MEET THE TEAM

CEO

Mr Gideon Dlodla has a passion for the cleaning industry and has over 40 years' experience in the service industry. Having worked for some of the best cleaning companies in South Africa, he decided to venture out on his own, which has been a progressive journey for him and the staff. Job creation has always been his main focus and the company has been able to provide and employ a healthy staff compliment.

Executive Team

We have a dynamic team that strives for excellence. They analyse and identify the business' goals and objectives and implement and enforce the strategies the employees need to achieve success.

Contracts Manager and Area Managers

We have a young vibrant team that oversees the day to day operations on all our sites. Our management team is well equipped with the necessary information for quality service delivery.

Service Provider

We do our best to recruit cleaners from surrounding areas and provide them with South African recognized accreditation. Our cleaners go through vetting process to ensure the safety of both the client and service provider.
